

BOARD OF

GOVERNORS

Mr. Jeff Ginther

Portland, OH

Term Expires: June 30, 2025

Jeff Ginther is senior manager, DAT2 and Gear Production, TMMWV, Buffalo, WV. He is responsible for transmission component machining and assembly operations. During the 23 years with TMMWV, Jeff has held positions in maintenance, engineering, internal logistics and production. Prior to joining Toyota, Ginther was manufacturing engineer for ITT Automotive in Culpeper. Enlisting in the US Navy in 1984, Jeff served as a Nuclear Machinist Mate, at NPTU Ballston Spa and the USS Bainbridge (CGN-25). Ginther holds an Associates of Science degree in science from Germanna Community College and a Bachelor of Science degree in business management from Western Governors University.
