2021-2022 Maximum Hour Financial Aid Suspension Appeal Process

To receive financial aid administered by BridgeValley Community and Technical College, you must be making satisfactory academic progress (SAP) toward completion of an eligible degree. For this reason, your SAP for financial aid is calculated each semester to verify that you have met all standards.

Regulations state that you must complete your program within 150% of the published credit length of your degree program. You will not be eligible for financial aid once you have **attempted** more than 150% of the published credit length. All credit hours throughout your academic history, even from periods in which you may not have received financial aid, will be included in the calculation. BridgeValley's Satisfactory Academic Progress policy is outlined below and is available on our website.

Associate Degree

Hours Attempted	Cumulative GPA Required	Completion Ratio Required	Maximum Credit Hours
0-29	1.50	67%	90
30-44	1.75	67%	90
45+	2.0	67%	90

Certificate Degree

Hours Attempted	Cumulative GPA Required	Completion Ratio Required	Maximum Credit Hours
0-15	1.75	67%	45
16+	2.0	67%	45

Attempted hours are considered all credit hours in which you were enrolled. All credit hours attempted at BridgeValley, including repeated courses with a grade of "F", "W", "I" or "IP" and all transfer hours accepted by BridgeValley Community and Technical College that were pursued at a previous institution will be counted in the determination of hours attempted.
